

The image features a dark green, textured background that resembles leather or a similar material. The texture is characterized by a complex, irregular pattern of small, interconnected ridges and valleys, creating a rich, tactile appearance. The lighting is subtle, highlighting the depth of the texture. At the bottom of the image, there is a solid dark grey horizontal band.

MADRAS G310

The image features a dark green, textured background that resembles leather or a similar material. The texture is characterized by irregular, wavy patterns and subtle variations in color, ranging from a deep forest green to a slightly lighter, almost blackish-green. The lighting is somewhat uneven, creating a sense of depth and highlighting the surface irregularities.
